

► CONTROLS:

Keys 1, 2, 3, 4 - hold respective reels. ← (left arrow) to cancel hold F1 - Gamble cash/nudges, F3 - Collect cash/or autonudge. F5 - Insert coin F7 - Start reels, Run/Stop - To re-start game after all your money is gone, or after you have reached the Jackpot of £250. The object of the game is to try to reach £250. You start with £100, and each spin costs £1. When the hold lights flash, you may hold the position of any of the four reels with the keys 1 to 4. If you make a mistake you may cancel the hold by pressing ← (left arrow).

GAMBLE FEATURES:

When you win, the bottom lights will ascend to the value of your win

To collect: Press F3

To gamble: Press F1 The two flashing lights tell you how much you could win, or how much you win if you lose the gamble. You may continue to gamble, or collect, at any stage till you reach the maximum win of £100.

NUDGE FEATURE AND SHUFFLE:

The numbers to the right of the fruit on the reels are added, and the total number of each spin is shown on the top row of lights, i.e. if your total on the reels is 5, five lights will show. If the total is equal to 7, you have a shuffle win, which will cause the reels to spin to a random win of £3 or £5. If the total is above 7 you will have the number of nudges shown by the steady blue light.

To collect nudges: Press F3 and the computer will automatically nudge the reels to the best available win with the number of nudges available.

To gamble your nudges: Press F1 If you lose you will be awarded a shuffle win. If you win you will increase the number of nudges available to you, until you reach the maximum win of £100.
